TRANSCRIPTION

Om Formiddagen havde jeg nok at bestille med at løbe for at faae min Vexel udbetalt hos Falconet,¹ og da jeg her ikke har Brug for alle Pengene bragte jeg den største Deel hen til Fleischer² og faaer derfor en Anviisning paa Rom, som er sikkrere end at reise med saa mange Penge. Om Eftermid: pakkede jeg Rose's Skrin fuldt af smaaer Vaser efter de antique og Altt³ har lovet at tage det med til Rom. Jeg spadserede om Aftenen paa Molaen, en Improvisator havde idag en stor Deel Mennesker om sig.

30. On our Giant in city near myal bridge, there
are several higher towers for a bird's nest and
many of them are made of mud, and are called
"mud towers". One of them is a very fine one
and is called "the tower of the king". One of them is
of very good work, and is called "the tower of the
