### TRANSCRIPTION

Efter at have tilbragt Natten med afvexlende at sove, og, naaer dette blev for haart paa Gulvet, da at bringe Ilden tilrette, forlode vi dette Hul om Morgenen før Dag, og naaede i det herligste Veier Vostiza<sup>1</sup> om Middagen. Der var alle Folk samlede paa Torvet, der mere lignede et Marked med Brakker end en Plads i en Bye. Vostiza er slet bygget men skal dog være mere velstaaende end f Ex: Patras, da hiin ikke er bleven saa hærgnet af Tyrkerne. Vi ankom efter et 11 Tiimers Rit til Creta<sup>2</sup> og liige i det Øjeblik vi ankom, brød just Maanen frem af de sorte Skyer, det lynede stærk, og vi maatte ride over Floden, da Broen var afbrudt, hvilket vi for Mørket nær ikke havde seet.
