TRANSCRIPTION

10de Torsdag.

Idag tog Sagerne paa engang en heldigere Vending for Rose idet Barnet begynte ordentligt at die til de forskjellige Tider af Dagen; Rose var derfor ikke lidt glad; Værtinden sagde at det var Noget, hun bestandig havde ventet, og at Rose nu havde det beste Beviis paa at hendes Ængstelser havde været ugrundede. Jeg skrev om Aftenen til Frue Schiøtt¹ for at underrette hende om den temmelig gode Tilstand her.

¹ Brevet til Charlotte Johanne Schiøtt, f. Schack findes i Det kgl. Bibliotek, Acc. 1996/44.
