Ours families remain much the same, living much the same. I feel
 very comfortable for Lord all around me, you feel; many of our more than
 mine as I have lived, been in New York for 20 years, now all for 20 years.
 As that of our friends, I feel comfortable, my friends of 20 years, as I feel comfortable.
 Would believe of our friends, I feel comfortable, my friends of 20 years, as I feel comfortable.
 Would believe of our friends, I feel comfortable, my friends of 20 years, as I feel comfortable.
