TRANSSKRIFTION

Om Morgenens havde jeg en lang Konversation med Pater Josepe. Han fortalte mig at han havde kjøbt en Vagtel, og at alt Saadant var det eneste som kunde drive hans hypocondri bort. Jeg maledede kun lidt idag¹ da jeg blev saa syg at jeg hjemme strax maatte gaae til Sengs; men Folkene ere herlige her. Om Eftermid: stod jeg op og kunde deeltage i Festen om Aftenen da der var Illumination Musique o:s:v. En herlig Aften efter en slem Dag.

This image shows a blank page from an old manuscript. Two vertical red lines are drawn across the page, creating three columns. The paper is aged and slightly discolored. There are some small brown spots or stains near the bottom of the first column on the left.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some minor discoloration and small brown spots, possibly due to foxing or wear over time. The page is framed by dark borders on the left and right sides, which appear to be the edges of the book's binding or the edges of the page itself. There is no text or other markings on the page.
