### TRANSSKRIFTION

Vi havde i Megara om Aftenen havt et nogenlunde godt Aftensmaaltid og om Natten for første Gang paa vores heele Reise fra Corinth, en Halmadrads til at sove paa, og alt dette bevirkede, at vi om Morgenen muntert fortsatte vores Vei og ankom til Lepsia (Eleusis) om Middagen. Der er kun faa Spor af den engang saa blomstrende Bye, overalt Armod og Svinerie; men høist maleriske Dragter. Vi toge snart viidere og kom med vore trætte Heste om Eftermiddagen til Athen. Kun en ringe Stie danner Veien og Alt bærer Spor af den skrækkelige Ødelæggelse; men Acropolis og Teseus Templet vidner om Fortiden.
