TRANSSKRPTION

Jeg forlod om Morgenen Sezze, hvor jeg i Baffi's¹ Huus, paa italiensk Maner, havde været overordentlig vel modtaget. Fra Sezze gaar Veien til Pipperno ved Foden af Bjergene nede i Sumpene, et Stykke af Veien, hvor en lille Flod havde sit Udspring og hvor Vegetationen er meget yppig, er noget af det smukkeste landskabelige jeg har seet. Landfolkene vare just i færd med at bryde og udvande Hør i Floden, dette oplivede endmere det Heele. Noget derfra gaar Veien til en Slette inde imellem Bjergene, [hvor] Pipperno² ligger paa et lille Bjerg. Det var her idag Mari della Sunta's Fest,³ der var Væddeløb af Heste og svær Commers blandt Folket.

¹ Uidentificeret, jvf. Baffi.

² Priverno.

³ Santa Maria assunta, dvs. Maria himmelfartsdag.

16. On the 10th of August 1841, I was informed by the
 Captain of the ship "The Fish Hawk" that he had
 in his possession a large quantity of the same
 in the shape of a large fish, and that he had
 given it to me. I was very much interested in
 the specimen, and I was very much surprised
 to find that it was a large fish, and that it
 was a large fish, and that it was a large fish.
